WHAT OUR CUSTOMERS SAY

Amy Alt
Lucky Spoon

"The centre offers monthly, rolling licences so I am not tied into a long term lease. It's very clean, presentable and modern. It's also close to central Milton Keynes where my clients are. "

Jonny Fulton
Fox Wylie

"When we started hosting virtual events, it was the natural choice to set up our studio in the centre. With two independent 1Gb lines coming into the site, I can confidently say that the internet will not go down."

Jacqueline Martin
Martin Hair and Scalp Clinic

"I love the facilities here. The car parking is great and the centre team is very supportive. It feels safe; there is a one way system and sanitising stations. My patients can see the centre taking precautions."

Milton Keynes Business Centre is easily accessible by road and rail. With close proximity to the M1 motorway, the centre is just under one hour's drive to/from London. It is also situated 2.5 miles from Milton Keynes mainline train station, where there are frequent services to the capital.
